Monitoring of Scholarships

UNIVERSITY SCHOLARSHIPS OFFICE
P.O. Box 256
751 05 Uppsala

I, the undersigned, who holds scholarship(s), solemnly certify on my honour that I am an active full time student at University the current semester and that I do not have an annual income equivalent to four price base amounts* or more (not a requirement for all scholarships). I am a member of student nation (student nation membership is a requirement for some scholarships).

*2016 = 180 000 SEK

I am aware that to be eligible to hold scholarships I must be an active full-time student at a university or at a university college (usually Uppsala University) for the entire term and take examinations with passing results, and that false statements in this certificate may entail repayment liability and in certain cases criminal liability. I am also aware that I need to meet any specific requirements for my scholarship, such as studies at a specific department, membership of a particular student nation, or the like.

Students at undergraduate and graduate level must, in order to be eligible to monitor their scholarship, be active full-time studies during the current term as well as have completed at least 22,5 credits during the previous term (ie. at least 22,5 credits must have rating dates from the previous term).
