

# EIT Labelling

15-16 December 2016

EBC, Uppsala

EIT Health Workshop  
EIT Labelling of education  
Focus: Healthcare innovation & Entrepreneurship

## EIT Health workshop on EIT Labelling

As part of the activities in Labelling and Certification – work group Health Care Innovation and Entrepreneurship – Uppsala University and University Medical Center Groningen welcome you to a two day workshop on labelling of education within focus areas Healthcare Innovation and Entrepreneurship. This meeting will provide the opportunity to discuss experiences from the 2016 labelling process and plans for applications 2017.

The workshop will take place in Uppsala, conveniently reached by train from Arlanda/Stockholm airport. The meeting venue, Uppsala University Evolution Biology Center (EBC), is located at Norbyvägen 14, approximately 20 minutes walk or a short busride from the the Central station.

## EIT Health – Making innovation happen

EIT Health, a consortium of 140 partners from 14 EU countries, promote entrepreneurship and develop innovations in healthy living and active ageing, providing Europe with new opportunities and resources.

We achieve this through delivering products, concepts and services, including education that nurture talents and train the workforce of tomorrow.
