Application summary sheet for programme-specific requirements and selection: Master's Programme in Biology

Personal details

First name	Family name
Application number	Phone number
Email	
Specialisations applied to <input type="checkbox"/> Cell and Molecular Biology <input type="checkbox"/> Ecology and Conservation <input type="checkbox"/> Ecosystems and Aquatic Ecology <input type="checkbox"/> Evolutionary Biology	<input type="checkbox"/> Genetic and Molecular Plant Science <input type="checkbox"/> Immunology and Microbiology <input type="checkbox"/> Environmental Toxicology <input type="checkbox"/> NABiS – Nordic Master in Biodiversity and Systematics

Application checklist

- I have read and followed the country-specific requirements, specified at www.universityadmissions.se and my application is complete.
- I have read and followed the programme-specific instructions for the Master's Programme in Biology, specified on the programme page on www.uu.se/master.
- I have filled out this document carefully and uploaded this application summary sheet and all required supporting documents through www.antagning.se or www.universityadmissions.se.
- I have not completed my Bachelor's degree at this point but will before the programme starts (late August/early September). I have therefore submitted a signed statement stating that I am a currently enrolled student and participating in my last semester of studies. (Please list remaining courses to be completed before applying for Bachelor's degree under required courses)

Education

Bachelor's/Undergraduate degree

Awarding university	Country
Degree	Years of studies
Field of study	
CGPA* in local grading system (if applicable)	CGPA* as % of maximum grade (if applicable)
Maximum grade in local grading system	Minimum pass grade in local grading system

Master's/Graduate degree (if applicable)

Awarding university	Country
Degree	Years of studies
Field of study	
CGPA* in local grading system (if applicable)	CGPA* as % of maximum grade (if applicable)
Maximum grade in local grading system	Minimum pass grade in local grading system

Additional information regarding education (if any)

--

*CGPA = Cumulative Grade Point Average

Required courses

Please fill in the number of ECTS credits or full time-weeks studied for the required subjects stated below. One week of full time studies corresponds to approximately 40 hours of studies and to 1.5 ECTS credits.

*) Provide specifics to the level of Biology, Chemistry or Geoscience

**) In some cases, the subject is covered in a course which does not mention it in the course name. In this case, you should write the name of the course here and attach the syllabus with the parts covering the required subjects highlighted. Do not include the syllabus text in this form – submit it together with your other application documents.

Subject*	Course name**	Completed (yes/no)	Number of ECTS credits of studies in the subject

Required courses (continued)

Please fill in the number of ECTS credits or full time-weeks studied for the required subjects stated below. One week of full time studies corresponds to approximately 40 hours of studies. One week of full time studies corresponds to 1.5 ECTS credits.

*) Provide specifics to the level of Biology, Chemistry or Geoscience

**) In some cases, the subject is covered in a course which does not mention it in the course name. In this case, you should write the name of the course here and attach the syllabus with the parts covering the required subjects highlighted. Do not include the syllabus text in this form – submit it together with your other application documents.

Subject*	Course name**	Completed (yes/no)	Number of ECTS credits of studies in the subject

Research project

- I conducted one or more independent research projects as part of my studies. Please fill in the title, abstract and duration of the projects.
- I am currently undertaking or planning to do a research project. Please fill in the title, abstract and duration of the project.
- I have not done any research project of this kind.

Abstract or project description. Max 250 words per project, including the project title and the duration of the project.

Statement of purpose

What made you decide to apply for the Master's Programme in Biology at Uppsala University?

What are your expectations for this Master's programme?

How does your background prepare you for Master's studies in biology at Uppsala University?

What are your plans and ambitions after completing the Master's degree in biology at Uppsala University?
